DETAILED ACTION

Allowable Subject Matter

Claims 19-36 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art does not disclose or suggest an optical crosspoint switch and the method of controlling the optical crosspoint switch comprising all the specific elements with the specific combination including both refractive index and optical gain/loss of each active waveguide portion being changed by application of an electrical signal as set forth in claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Further references of interest are cited on Form PLO-892, which is attachment to this office action.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ellen Kim whose telephone number is (703) 308-4946. The examiner can normally be reached on Monday and Thursday.
